

## Hikuwai Christmas Party 2006.

06-12-06

The Hikuwai Christmas Party was held at the Architecture and Design Library on the Unitec campus on Carrington Road. A selection of delicious food was provided by the on-site campus café Long Black and a very generous sponsorship from Ebsco ensured that committee members could provide a selection of top quality wines for all the party goers.

Librarians from all over Auckland made the effort to attend which enabled people to catch up with previous colleagues, friends and associates whom they would not normally see on a regular basis.

The actors from the School of Performing and Screen Arts at Unitec had everyone laughing with a collection of scenes taken from various comedies such as Oscar Wilde's *The*

Importance of Being Ernest, Noels Coward's Private Lives and a hilarious rendition of All Things Bright and Beautiful which was originally sung by the members of Monty Python.

As always, our thanks go to all those who braved the traffic to get to the party, and to the caterers for an outstanding spread which left everyone full, happy and ready to enjoy the laughter that the future famous faces from Unitec's School of Performing and Screen provided.
